Spark **Training Methodology**

Synonym ⟷ **Negation** ⟷ **Antonym**

"I am not happy" *versus* "I am happy, but not very happy"?
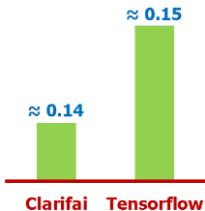

Vanessa Gregory @VanessaStAlbans · 2h
I was looking forward to #ToWalkInvisible can't understand a word. Mumbling or music too loud over the dialogue! :(

Great viewing let down by bad sound quality, couldn't hear the dialogue half the time. #ToWalkInvisible

Jane Mosse @camillalookalik · 6m
So disappointed by sound quality in **To Walk Invisible**. Visually beautiful and well-acted but so much was inaudible.
